

Attention CLA Families

Carondelet Leadership Academy presents...

DIVERSITY NIGHT

Thursday, April 25th 6:00-7:30 pm

Come help the students and staff at CLA celebrate the cultures that make our school unique. We will be learning about our differences through movement, artistic creations, and food. Travel through various countries as you move from one classroom to the next. Bring your friends and family to help you celebrate but don't forget your passport!
